

Professional high-pressure spray gun ST-2200

The choice of perfection

Ideal for all cleaning tasks

ST-2200, the professional high-pressure spray gun

- Ergonomic handle with non-slip surface
- LFT - „Low Friction Trigger“ significantly reduces friction and wear and ensures a longer service life for the high-pressure gun, reduced trigger forces and a consistently low pressure drop throughout its service life.
- Optional: swivel at the inlet
- Private Label possible
- Max. 350 bar / 40 l/min / 150° C

Technical data

Model:	ST-2200
Max. pressure	350 bar / 5.000 psi
Max. flow	40 l/min
Max. temperature	150 °C
Inlet	rear
Swivel at inlet	optional
Chemical resistance	standard
Freeze stop version	-
Weep version	-
LTF technology	standard
Material valve housing	brass
Material valve	brass, stainless steel
Food safe	-
One-piece valve kit	standard
Quick coupling outlet	optional
Progressive closing	-
Private label	optional

Fixed: The gun can no longer be actuated with the trigger lock.

LFT - „Low Friction Trigger“ significantly reduces friction and wear and ensures a longer service life for the high-pressure gun, reduced trigger forces and a consistently low pressure drop throughout its service life.
