

PURClean365+® Power high pressure food hoses DN 8

The choice of perfection

Area of application:
high-pressure cleaning
hose in the
food industry.

Fittings made out of
stainless steel

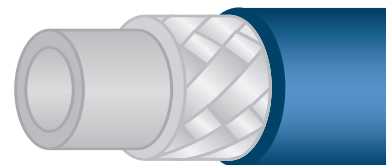

The new high pressure hoses PURClean365+ Power for hygienic application in the food industry

- PURClean365+® - Food hose according to (EC) 1935/2004, (EC) 10/2011 and (EC) 2023/2006.
- 3-layer plastic hose with a smooth cover
- Premium fabric inlays made of rot-proof synthetic fibre
- Smooth, stain and grease resistant cover
- Excellent ease of use
- Suitable for water and water mixes of usual cleaning detergents
- Particularly pressure-stable and flexible up to a maximum of 200 bar working pressure
- Temperature range: -40 °C - +60 °C
- Working pressure: 200 bar
- Fittings stainless steel

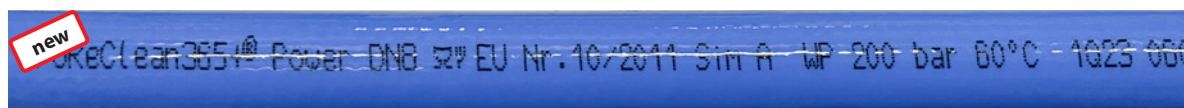

Smooth cover:
easy handling with
best sliding characteristics

Composition:
surface made out of thermoplastic
elastomer, fabric inlay of
synthetic fibre and PES
