**Food hoses**

**Galvanator - food hose**

The advantages of the zinc-plated steel braids become obvious when effecting a salt water test. The Galvanator has been soaked in a 5% salt water solution at 45°C for 48 hours.

**Quick screw couplings**

- **M22 : M22**
  - Nipple & crimp VA
  - Stainless steel
  - Zinc-plated steel

- **2SC 8 400 bar 150 °C 10 m**
  - Suitable system 2000

**QSC: QSC**

- **M22 : M22**
  - Nipple & crimp VA
  - Stainless steel
  - Zinc-plated steel

- **Female thread (DKR)**
  - 1/2": 1/2"*1/2"
  - 3/8": 3/8"*3/8"

**Other lengths or connections are available on request.**

**Symbols**

- **DN** nominal diameter
- **P** pressure
- **T** temperature
- **L** length
- **TP** type
- **BP** burst pressure
- **VPE** packing unit
