

Mosmatic self-service air dryer

To easily dry in a quick and uncomplicated way!

Substantially reduces water spots, no impairment of the paint – both in summer and winter.

The strong blower and the especially moulded air nozzle guarantee a polished and spotless result.

It dries the smallest gaps such as door joints, wing mirrors, radiator grills etc. and really eliminates water spots.

Combined with a Mosmatic air spinner system the dryer is for sure an interesting and very profitable attraction at your wash bay.

Attention: Connection should be carried out by authorised staff only!

Specifications
